A Good Call For Your Kids

Do your kids need health care coverage?

Families who qualify have children who:

- Do not have medical insurance,
- are under 19,
- are U.S. Citizens or legal residents, and
- earn less than the family income limits below.

Step-parent and grandparent income isn't added in family income limits

Family Income Limits		
Family Size	Monthly Income	Annual Income
1	\$1436	\$17,224
2	\$1926	\$23,107
3	\$2416	\$28,990
4	\$2906	\$34,873
5	\$3396	\$40,756
6	\$3887	\$46,639
7	\$4377	\$52,522
8	\$4867	\$58,405

If you applied for CHIP in the past and were told you didn't qualify because you earned too much ... apply again.

Dental services are not covered in CHIP B. However, it is an important part of every child's health care. It will be evaluated periodically to see if it might be added in the future.

Your Choice of CHIP B or Idaho Children's Access Card

What is CHIP B?

This is a state-managed individual health plan for uninsured children. The detailed benefit plan can be found at www.idahohealth.org. The cost of the plan is \$15 per month for each eligible child. You may also be responsible for co-pays on some services.

What is the Access Card?

With the Children's Access Card you can buy a private insurance health plan. We will pay towards the cost of your monthly premium payments up to \$100 per month for each uninsured eligible child, limited to \$300 per family per month. You are responsible for the remaining premium payments, co-pays and deductibles of this plan.

How do you apply?

Applications for CHIP B and the Access Card are located at www.idahohealth.org or call 866-326-2485.

You can only apply for these programs during open enrollment times. Periodic open enrollment times will be announced.
